Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English. Brand new Book. Prissy Little Chloe: Time of the Year - Puppy Action-Adventure Cartoon Novel Welcome to a very different kind of dog book. For starters, this is not some made-up "say 'd' for 'dog'" book written for preschoolers. My dog seriously has it in for me! At first she's all nipping and playing cute little chasing games with her puppy toy collection - then an hour later, when I try to teach her new tricks with little treats on the puppy's first Christmas, I realize there's no internet search that could do justice to raising, training, dealing with and trying to control this troublesome terrier! Prissy Little Chloe is a Bestselling, my-first-puppy cartoon book series about a naughty Yorkie puppy and all the trouble she gets herself into! This Yorkie puppy book in the series Prissy Little Chloe: Time of the Year centers on how I ended up with a rambunctious little troublemaker, after four years of begging for a puppy for my birthday and a puppy for Christmas - obsessing over "puppy images," "puppy photos," "puppies for sale" and "puppy breeds" like Malteses, Chihuahuas and Yorkies (see what I mean? Puppy everything!) - and after the puppy's first night home, her evolution from nice to naughty over the course of a few days! Chloe always wants to be the center of attention; she makes up her own rules everyday - and gets herself into problems running through the neighborhood - setting me on a (literal!) wild goose chase, every single day, without fail. She slips through the gate in the yard or runs through the door when she gets the chance and then runs across the street into peoples' backyard, homes . or into their car....
