

A Succinct Description of That Elaborate and Matchless Pile of Art, Called, the Microcosm; With a Short Account of the Solar System: Interspersed with Poetical Sentiments on the Planets. . the Eleventh Edition,

Filesize: 2.2 MB

Reviews

This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).

(Taylor Medhurst)

A SUCCINCT DESCRIPTION OF THAT ELABORATE AND MATCHLESS PILE OF ART, CALLED, THE MICROCOSM; WITH A SHORT ACCOUNT OF THE SOLAR SYSTEM: INTERSPERSED WITH POETICAL SENTIMENTS ON THE PLANETS. . THE ELEVENTH EDITION,

Gale Ecco, Print Editions, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The 18th century was a wealth of knowledge, exploration and rapidly growing technology and expanding record-keeping made possible by advances in the printing press. In its determination to preserve the century of revolution, Gale initiated a revolution of its own: digitization of epic proportions to preserve these invaluable works in the largest archive of its kind. Now for the first time these high-quality digital copies of original 18th century manuscripts are available in print, making them highly accessible to libraries, undergraduate students, and independent scholars. Medical theory and practice of the 1700s developed rapidly, as is evidenced by the extensive collection, which includes descriptions of diseases, their conditions, and treatments. Books on science and technology, agriculture, military technology, natural philosophy, even cookbooks, are all contained here.++++The below data was compiled from various identification fields in the bibliographic record of this title. This data is provided as an additional tool in helping to insure edition identification: ++++British LibraryT004886On a machine constructed by Henry Bridges of Waltham Abbey, displayed by Edward Davies.London: printed for the proprietor, Mr. Edward Davis, 1772. 32p., plate; 8.
